Thus spoke General Russell A. Alger, of Michigan, to the Associated Press representative. The general had just emerged from the South parlor, which is the conference room while Mrs. McKimley is out of the city. He and Mr. McKimley had just completed the interview in which the formal tender and acceptance were passed.

He has signified his willingness to accept. He was dissatisfied with the last Democratic platform and voted the straight Republican ticket.

Bradley Guards Mustered Out.

Frankfort, Jan. 30.—If has been definitely determined by the Governor that the Bradley Guards, of Harboursville, whose disgraceful conduct during the holidays has been the occasion of so much comment, must be disbanded. It is said no court martial will be held, but the order to muster out the company is expected to come soon.

New York, Jan. 30.—Giuseppe Ragnella, an Italian peddler, this morning murdered in cold blood a small boy by the name of Boccio Desio and attempted to kill Mrs. Desio, mother of the lad. No cause is assigned for the fiendish act. The murderer escaped.

Three Children Killed to Death.

Bates, Texas, Jan. 30.—Three children of Mrs. Mahory, living on a farm some miles from this city, were last evening killed to death by a vicious horse. The children were playing in the barn and wandered into the stall where the animal was tied, and were killed before they could escape.

Canton, Ohio, Jan. 30.—It is stated that Judge Goff, of West Virginia, to whom the Attorney Generalship has been tendered, declines to accept and that this declaration insures the tender of the portfolio to a Kentuckian.

Congressman Evans Sick.

Washington, D. C., Jan. 30.—Congressman Evans, of the Fifth Kentucky district, is sick. He has been working very hard in committee on the tariff bill and has overtaxed his strength.

Senator George, of Mississippi, who has been very sick of heart trouble, is said now to be out of danger.

Pythian Seceders.

Indianapolis, Jan. 30.—The Supreme Court yesterday decided in favor of Koerner Lodge, No. 6, in its efforts to secede from the Knights of Pythias and join the Indiana Zeitung Bund, an organization formed by the German Knights of Pythias lodges that rebelled against the order doing away with the German ritual. The Grand Lodge sought to recover from Koerner Lodge the property that it held as a lodge of the Knights of Pythias, and obtained a judgment against it in the lower court, but the ruling was reversed in the Supreme Court.

A YOUNG GIRL

Marries a Grand Father in Cincinnati County.

The groom appeared light-hearted and gay as a 16-year-old youth, and the bride was all smiles.

The groom has grand children older than his girl wife.

CONFERENCE BILL PASSED.

Several Notable Speeches—Senator Vilas Opposed It Vigorously.

Washington, Jan. 29.—By the decisive vote of 46 to 4 the senate today passed the bill for the appointment of commissioners to an international money conference.

The closing of the debate brought out several notable speeches, including those of Mr. Hoar, Massachusetts; Mr. Vilas, Wisconsin; Mr. Jones, Arkansas; and Mr. Gorman, Maryland; Mr. Allison, Iowa; and Mr. Carter, Montana. It disclosed that little opposition existed against the bill, the only division being as to the expediency of seeking binationalism through international agreement. As voting the general view on the Democratic side of the chamber, Mr. Jones and Mr. Gorman favored the adoption of the measure exactly as Republican Senators desired, in order that the responsibility might be theirs. Mr. Hoar's speech attracted attention, and was one of the most noteworthy utterances of the veteran Senator made in recent days. He spoke of his observations in Europe during last summer, his agreeable discussions with Hons. Melme and Bonergreave in Paris, and Mr. Balfour in London, on the advance of binationalism.

Mr. Hoar expressed the conviction that the four great nations—the United States, Great Britain, France and Germany—were fast and inevitably tending toward binationalism.

Mr. Vilas, of Wisconsin, began the day's debate on the bill, speaking against it.

He characterized the bill as vicious and misleading. It was wholly illusory, he said, perhaps deceitful in the promises it held out, and was a fundamental acknowledgment of the theory of the Bryan campaign.

WILL FIGHT IN NEVADA.

Corbett-Fitzsimmons Will to Take Place in the Far West.

A BILL before the Legislature for Their Benefit.

Dallas, Tex., Jan. 30.—Dan A. Stuart last night announced the place for the prize fight between Corbett and Fitzsimmons to be in Nevada, at Carson City. Keno or Virginia City, whichever point makes the best offer. The announcement was made on receipt of a telegram from W. H. Wheelock, Stuart's manager, stating that the governor of Nevada would sign the bill licensing prize fighting in that state. Stuart said:

"Nothing less than the death of one of the principals will stop the fight. Special rules will be given on all roads between New York and San Francisco, leading to the point of contest, which will be the greatest the world has ever seen."

Carson, Nev., Jan. 30.—The bill to permit glove contests passed the Senate this morning by a vote of 9 to 6, and the town is all excitement in consequence. The bill was not enrolled in time to be presented to the Governor Thursday, but reached him yesterday morning.

The bill provides that a glove contest with gloves not lighter than four ounces may be held in Nevada upon payment to the sheriff of the county in which the contest is to take place of \$1,000 for a license, and the presentation of a certificate from two regular physicians that the contestants are in perfect physical health. This shall be done two hours previous to the contest. Nine-tenths of the license money goes to the state and the balance to the county where the contest takes place.

HELD TO ANSWER.

Riley Gay Goes Back to Jail in Default of Bail.

Was Charged With Housebreaking in the Police Court.

Riley Gay, colored, was held over to the circuit court this morning on a charge of housebreaking by Judge Sanders.

The prisoner was charged with breaking into a room on Legal Row, occupied by Attorney Dave Cross and Jack Randolph, and stealing some clothing belonging to the latter. The defendant asked when the case was called yesterday that he be allowed to confer with Attorney R. T. Lightfoot with a view to employing him to defend him. He could not arrange the fee, however, so Mr. Lightfoot did not take the case, and when the charge was called Gay told Judge Sanders that he was unable to employ an attorney.

Judge Sanders then appointed Lightfoot to defend the accused, who occasioned great mirth in the court room, as the darkey got the lawyers' services after all, and got them free.

The trial proceeded and Mr. Lightfoot, at the conclusion of the prosecution's testimony, moved to dismiss the case on technical grounds, as the warrant charged that Gay had broken into Jack Randolph's room, when it was the joint abode of the latter and Attorney Cross. The motion was overruled and the defendant held to answer. In default of a \$150 bond he went to jail.

WRIT APPLIED FOR

Certiorari to Remove the Three Friends Case.

TO THE SUPREME COURT.

Proposed Spanish Reforms to Be Offered Cuba.

THREE FRIENDS AND DAUNTLESS HELD.

Washington, Jan. 30.—The attorney general yesterday applied to the United States supreme court for a writ of certiorari to be used in the case of the Three Friends, one of the alleged Cuban filibustering crafts, before the court. Counsel for the owners of the vessel represent that they had not had sufficient notice of the application, and asked that the matter be postponed until next Monday. It was so ordered.

PROPOSED REFORMER.

Spanish Concessions to Cuba as Promised by the Cortes.

Havana, Jan. 29.—The home rule measure which Spain is about to concede to Cuba provides for a legislative assembly wholly elective by an enlarged suffrage and composed of a Senate and lower House. Besides having the sole power to vote a national budget of the island, this chamber has full power to draw up and control the budget of what may be termed the imperial expenses, or the expenses of the army and navy of Spain, in so far as they are legitimately to be shared by Cuba.

This budget of material expenses will be sent to Madrid for the approval of the Cortes.

With the Governor General is vested the power to appoint all officials in the Cuban government, with the exception of the Director General or Collectors of the Port and members of the Secretaries General of the Governor and civil Governors of the province, who are to be selected by popular vote.

All officials who shall be appointed by the Governor General must be confirmed by the Assembly created by the reform measure in the same way that Federal appointments require confirmation by the Senate in the United States.

"Some 'deputacion unica' or 'consejo de administracion,' as the Cuban Assembly will be called, will have full and exclusive power to initiate all money and tariff bills, and no bill of this nature can be presented or considered by the Madrid Government until it has been approved by the Cuban Assembly."

The reform measure was read to Mr. Olney in Washington last December by Minister de Lome and met his unqualified approval.

Some slight changes have been made by the Colonial Minister and council of state at Madrid since Secretary Olney gave his approval. It is stated, however, that they are unimportant, more of language than of provision.

Liberal as these concessions seem, it is said that the Cubans will not accept any agreement to which the United States is not directly or indirectly a party. This guarantee of arrangement is now being sought in the commercial agreement being negotiated at Washington.

In this agreement Spain clearly recognizes the new autonomous system in Cuba, and any failure to carry out the agreement now or to abrogate in the future would be a breach of good faith with the United States sufficient to justify serious remonstrance and eventually, if necessary, actual interference. If the terms of this pledge given by Spain to the United States are sufficiently explicit and unmistakable under this indirect guarantee the Cubans will accept the reform bill.

Otherwise neither this nor any other agreement, however made, will be accepted. This has been said many times during the last few days by the most authoritative leaders in the civil councils of the insurgents, and may be regarded as final.

CAN NOT LEAVE PORT.

The Three Friends and the Dauntless Guarded by a Revenue Cutter.

Jacksonsonville, Fla., Jan. 29.—The filibustering steamers Three Friends and Dauntless can not leave port until the authorities at Washington shall approve the affidavits of the owners that they will not engage in filibustering expeditions. The Dauntless started out this morning with a schooner in tow, but was stopped by the officers of the revenue cutter Bonwell. The Captain of the tug was told that he must have a government permit, which could be secured only by an affidavit approved by the proper authorities, that the vessel would engage in no unlawful enterprise. The affidavit of the owners of both steamers were thereupon made out and forwarded to Washington.

CAYENNE PEPPER

A Juryman's Remedy For Cold Feet.

But It Made Him Move About Pretty Lively.

Mr. Frank Futrell, one of the present juryman in the circuit court, has suffered a great deal during the recent contraction of the atmosphere from cold. He is a well known resident of the county, and is used to sitting around a cheerful log fire on such days as have been experienced this week, instead of half freezing in the spacious court room. He is a signer to the petition asking fiscal court to put steam heaters in the court house.

But that petition for heat doesn't happen to help matters much just at the present time, and yesterday he walked into a well known drug store and began telling his trouble.

"It don't do no man any good," he said, "to stay in that court room and burn up one minute and then when the fire burns down half freeze. The floor is always cold when that wind gets to whistling around under the floor and my feet nearly freeze every day. I'll tell you they do, gentlemen."

The druggist suggested to him that he put a handful of Cayenne pepper in his sock to keep his feet warm when he got up in the morning, and this Mr. Futrell said he would do.

This morning he was seen running wildly towards the Commercial Hotel, where he boards. It is not known positively what he did when he reached his room, but it is almost certain that he changed socks. He always visits the drug store just before church time in the morning and just after adjournment in the afternoon. This morning he made his usual advent at his accustomed time, and leaning back in his chair he rested his feet on the stove. Presently he began nervously shuffling his feet about and an expression of alarm supplanted the one of undisturbed tranquility.

Without a word he made for the front door, and the nearer his boarding house he got the faster he went. "Gentlemen," he said afterwards, "it's alright to keep your feet warm but tain't no use in getting 'em burned up."

HE IS OBSTINATE.

William Foster, of Mayfield, Won't Come

But An Attachment May Bring The Witness.

William Foster, the Mayfield jeweler, who was knocked down in the Union Depot Lunch stand Sunday by Mr. M. W. Clark, says he will not come to Paducah and testify in the case against Red Hubbard. It will perhaps be revolting to his gentility and refined sensibilities.

The case was called against Hubbard today in Judge Sanders' court for maliciously assaulting Mr. Clark with a poker Sunday. Foster is an important witness, and Hubbard apprised the court of the fact that he went down after him with a subpoena this morning, but the obstreperous witness got wind of what was coming and concealed himself so it couldn't be served. If he is not here Wednesday, the day now set for the trial, an attachment will be issued against him.

THE FAMOUS GEORGIAS.

To Appear at Morton's Opera House Wednesday Night.

This city will soon be visited by the oldest amusement enterprise in existence. Richards & Pringle's Famous Georgia Minstrels, an organization of all that is the best in genuine colored minstrelsy, and one that has been under one management for twenty-four years, a long time for any enterprise to exist, especially in minstrelsy. There is always cause for effect, and the cause in this case is that Richards & Pringle have always organized each season a particularly strong company of colored artists, never attempting to trade on their splendid reputation, but constantly trying to eclipse themselves each season by bringing together a stronger and more meritorious company, and presenting a more entertaining program. Synonymous with the names of Richards & Pringle is that Billy Kersands, the funny comedian with the mammoth mouth. Billy Kersands is undoubtedly the highest salaried minstrel comedian, white or colored, in the world today.

IN JAIL.

Pinckney Childers Arrested For Robbery.

HAD \$20 IN STOLEN MONEY.

A Sequel to the Wm. Rummel Robbery Last Night.

CHILDERS WILL LIKELY "SQUEAL."

Pinckney Childers, a youth of about 18 years of age, was arrested this morning by Officers Phillips and End Barnhart on a warrant charging him with robbery.

He is accused of "touching" Wm. Rummel for \$60. The details of the robbery are mentioned elsewhere. Marshal Collins and the officers began work on the case early this morning, and about the only clue they had was the knowledge of whom Rummel had been with, and of the character of the money, which was in new ten dollar bills, folded once.

This morning Childers met a driver of a coal oil supply wagon and secured change for a new \$10 bill that answered the description of the money lost by Rummel.

Later, Childers went to Louis Clark, the South Third street grocer, and had another \$10 bill changed. The officers learned of this and promptly arrested him. He claims that a man met him on the street and gave him the \$20 he had "to keep his mouth shut." He said he had a right to spend money that was given him.

The remainder of the money was not found, and the police are confident that but \$40 was taken from Rummel. They are also certain that there is somebody implicated in the robbery, and two suspects were arrested this morning and questioned, but having no evidence against them they were released.

Childers bears a bad reputation, but Marshal Collins thinks he has been made a cat's paw, and that there are others as guilty as he. If the latter theory be correct, Childers will certainly "squeal" and other arrests will follow. He was unable to execute bond and was committed to jail to await a preliminary hearing Monday.

Wm. Rummel Claims to Have Been Robbed.

Wm. Rummel, a well known citizen, complained to Chief Surgery shortly after midnight that he had been robbed of \$70. He was out on an expedition of amusement, and fell into hands.

The police summoned forthwith several persons he had been seen with during the night, but no trace of the money could be found. They don't believe that more than \$40 was stolen.

ITS MARVELOUS POWER.

Paine's Celery Compound Better Than Years of Doctoring.

There was never a remedy so eminently successful, so far above and beyond all competition, as Paine's Celery Compound.

Paine's Celery Compound effects marvelous cures.

Where other remedies miserably fail, and where doctors do not succeed, there Paine's Celery Compound is found curing disease, making people well and happy.

Here is the case of Mrs. Hoff, who lives at 110 Summer Ave., Newark, N. J., and whose portrait is printed here.

"My doctor," she says, "called my disease liver complaint, stomach trouble, nervous dyspepsia, and all most every other name you could think of. When I was in Portland, Ore., I had enlargement of the liver, and the doctor thought that all the troubles came from that severe spell of illness. That was twelve years ago, and I have done nothing but doctor ever since. I have had the best physicians examine me, and see if they could do anything for me. For months at a time my stomach and liver has been so sore that I could lie in bed only in misery, and such severe pain in my back, and so weak that I could hardly talk."

"After I had a bad night I would send for the doctor, and he would leave me a small box of powders and one or two other medicines, and it would cost me \$4 every time I had one of these spells. I believe I have taken more medicine than any other living woman."

"Last March I had a call from a lady friend of mine who asked me, 'what is the matter with you?' I replied by saying how well you look."

"Yes," she said, "I never felt so well in my life." She is a woman of 43, and now, she said, "I want to give you a little advice. I have been almost at death's door with liver trouble. After the doctor had done all that he could for me I told him not to come again. I showed him a bottle of Paine's Celery Compound and told him that I was going to give it a fair trial."

"I sent right over to the drug store and got a bottle of Paine's Celery Compound, and when I had taken two bottles the sickness had left my stomach and my side felt much better. After I had taken four bottles my side was much stronger and I was in better spirits and felt as though I might live and not be in such misery. Working people nowadays work the night all over every week, and all ask to earn the money I have to every week."

"Paine's Celery Compound has enabled me to do this, and has done more good than all the doctors put together."

"Why, my nervous system is so entirely strengthened that I feel like a new being, and what is more, I look the good the medicine has done me, right in my face and eyes. Just tell all poor women for me that for a medicine to build one up, give Paine's Celery Compound a fair trial, and if it does not do it, then they might as well die. I have recommended it to several and it has helped in every case. I have a great deal to worry me, and a dose of the compound gives me quiet sleep and the peace of mind. If any one wishes to write me they can do so."

"Why should a sick person do anything else but try a bottle of Paine's Celery Compound?"

There is quite a colony of people who believe in sanctification, south-west of town, says the Mayfield Mirror. They hold three or four meetings every week, which are well attended. As they cannot secure permission to hold their services in a church, they meet at the houses of those belonging to the "Holiness Band."

They held a meeting here in town last summer. During the warm weather they hold all of their meetings in a tent. They held services at King Alexander's last Friday night, at Bob Thompson's Friday night, and at Bob Grant's Saturday night. They have regular services at Bryson's school house every second and third Sunday.

Important Notice. All persons knowing their relatives indebted to the firms of Rogers & King and John Rogers & Co. are hereby warned to call and settle the same at once at my office, No. 127 South Fourth street, and thereby save to themselves costs, as I will be forced to proceed by law to collect same, unless otherwise settled promptly.

NAUGHTY GIRLS.

They Don't Want To Leave Paducah.

Were Ordered to Get Out By Marshal Collin

The police are having no little trouble with Nora and Edie Lasley, who figured notoriously in the murder of Ben Ladd at Brooklyn last May, and for which John Lemley was sentenced for 99 years, Bart Linn for 20 years and Ed Linn for 14 years.

The girls came to Paducah shortly afterwards, accompanied by Moll Edwards, another disreputable woman of the same place, and began running a dive. Her dens of dissipation and degradation were repeatedly broken up, the last one, on North Tenth street, of which the Lasley girls were inmates, being extinguished only a few days ago.

The Lasley girls went to Broad street and settled, and the residents of the locality are very indignant.

Yesterday afternoon Officer Etter went up to give them orders to leave the community, but not knowing them they gave him fictitious names and informed him that no girls by that name lived up there.

This forenoon Officer Sutherland went up and escorted the damsels to the city hall, where they were given two hours to leave the city by Marshal Collin.

Two Tramps Held Over For Breaking Into the Market Place.

Robt. Anderson and John Brenson, two itinerant steamboat men, also tramps, were held over by Judge Sanders this morning on a charge of breaking into the market house yesterday morning.

They claim to be respectively from Louisville and Chicago, and were arrested by merchants' Policeman Fowler Loftin at Second and Jefferson. They had dropped some dressed meat stolen from Kelly's ice box in the market house, and claim that they found it in the alley contiguous to Robertson's grocery. The evidence was against them, and they were not introduced by their lawyer, Attorney Dan Cross. They were remanded to jail to await the action of the next grand jury.

A GOOD LECTURE.

John E. Woolley at the Y. M. C. A. Last Night.

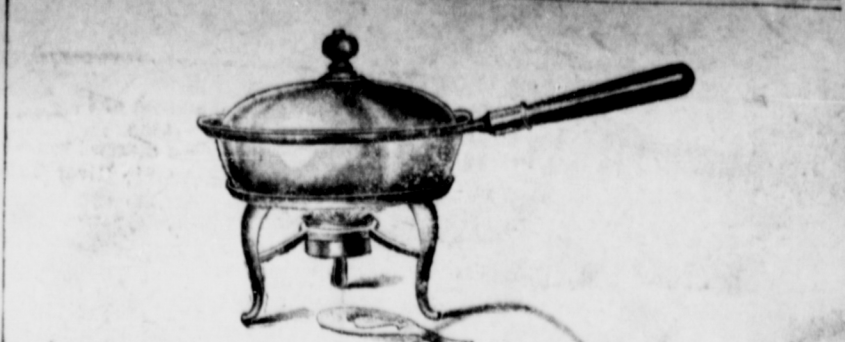

The lecture of John E. Woolley at the Y. M. C. A. Hall last night was heard last night with delight by an audience that was much smaller than the merits of the most excellent discourse justified.

The auditorium was well filled, but the lecture was so good that every person of intelligence in Paducah would have profited by it. "It was the finest piece of English diction that ever left the lips of an American orator," said one gentleman this morning. The effort was on "Christian Citizenship."

A new time card goes into effect Sunday, the 31st inst., on the Nashville, Chattanooga and St. Louis railway, which will give a double daily service to Nashville and the southeast. Trains leaving Paducah at 7:15 a. m. and 2:30 p. m., arriving at Nashville 9:45 a. m. and 9:15 p. m.
